

Copying an automatic order from one day to another

Note: Refer to programming an automatic order flowchart if the day to be copied is identical to another day of the week.

1 Enter programming mode

Toggle to automatic mode by briefly pressing the selection button.

Press and hold the selection button until SET appears on the display.

2 Copy day

Use the navigation button to select the day to be copied.

Simultaneously hold the left and right navigation buttons until COPY appears on the screen.

Use the navigation button to select the day the program is to be pasted.

Simultaneously hold the left and right navigation buttons until PASTE appears on the screen. Repeat step 2 to copy additional days.

3 Save changes

Press and hold the selection button.
