## SLIDETRACK – BROKEN LOCK PIN INSTRUCTIONS

1. Drill out the top stops.
2. Drill hole through side track to expose the end of the pin.
3. With the locks pulled in to centre, lever out the stuck pin & lift the bottom bar.
4. Lift the bottom bar up to the top and disengage the fabric.
5. Disengage the bottom bar from its channel by lifting one end up.
6. Replace the Cable.
