

STOCKED FABRICS for SLIDETRACK

Spring is in the air, and as we move into our traditionally busy period, we are filling our shelf with all our most popular fabric choices.

With so much uncertainty surrounding Covid and state enforced lockdowns, our focus is on turning high quality Slidetrack Blinds around faster than ever!

With our wide range of 30 stocked fabric choices, we can have Slidetrack Outdoor blinds manufactured in 2-5 days from point of order.

We are also now stocking a wider range of specialised angles. Adding another 2 sizes: 80 x 20 x 3 & 100 x 50 x 3 to our shelf stock, in order to reduce waiting times for powdercoating.

Don't get stung by long lead times this spring/summer, speak to an Ozroll representative today and see why many retailers are switching to Slidetrack.
